

# A-3664

---

## Brief Description:

- Requires health insurers and the State Health Benefits Plan to provide mental health benefits for eating disorders under BBMI which pays under the same terms and conditions as for other illnesses and diseases.

## Sponsor:

- Assemblyman Sandra Love (D-Gloucester-Camden)

## Reasons to Support:

- Eating disorders require intense and long term care and NJs 30 inpatient and 20 outpatient day benefit for non-BBMI is insufficient to expect a cure.

## Reasons to Oppose:

- Affordability of yet another mandate.

## NJAHU Position:

**Support**

## Status

Introduced 1-15-2009, Referred to Health & Senior Services Committee
